COLOR WHEEL

\$21.21 at Mish Mish

● Primary Colors: Yello Medium Azo, Quinacridone Crimson and Pthalo Blue ▼ = Secondary Color ◄ = tertiary color

3 color properties: **hue** (e.g. blue), **value** (26 step scale below), & **intensity** / saturation /chroma (purity)

high value  low value

- Tips:
1. Add lower values to lighter values a bit at a time.
 2. Use popsicle stick to add colors to palette
 3. Clean brushes thoroughly
 4. Paint 'dry' for highest intensities
 5. Paint shapes using brush shape & position

Assignment: Mix and paint a color wheel with primaries, secondaries and tertiaries, using only three primaries (dye colors): Azo yellow, Pthalo Blue, Quinn Red

3 parts of a medium: pigment, binder, diluent
